[3.0] SYSTEM DESIGN

[4.0] ADMISSION ACCOUNT

4.1 DASHBOARD

ADMISSION'S DASHBOARD

>> MAKE the Font Color blue.

4.2 ENROLLMENT

4.2.1 APPLICANT INFORMATION

The screenshot shows a web form titled "Enrollment" with a search bar and a "Back to List" button. The main content is divided into two columns. The left column is titled "NEW STUDENTS ADMISSION" and contains a sub-section "APPLICANT INFORMATION" with fields for Full Name, Grade Applied, Birth Date, Contact, and Previous Education. The right column is titled "ASSESSMENT DECISION" and contains a dropdown for "ASSESSMENT STATUS" (set to "Passed (Accept)"), a text area for "REMARKS / NOTES", and a "RECORD DECISION" button.

>> All online forms that already submitted by the student should appear here.
>> In Assessment Decision, ADD Interview status & Assessment Test status in dropdown options.

- >> ADD checklists what requirements did the student applicant submitted in the admission before the Admission Staff submits it in the Registrar.
- >> ADD checkbox indicating that the student already received the hard copy of the online forms and the student already signed the hard copy forms before the Admission submits in in the Registrar.

- >> ADD this Print PDF/Download Form button in the Applicant Information page.

[5.0] REGISTRAR ACCOUNT

5.1 DASHBOARD

- >> FIX the UI Design of the Dashboard. The overview tile/blocks should have the same style like on the Admission’s Dashboard.

5.2 ENROLLMENT

- >> All online forms that already submitted by the student should appear here.
- >> DISPLAY that the student already done in Interview and Assessment Test.
- >> DISPLAY that the student already signed and received the hard copy of online forms.
- >> ADD checklists what requirements did the student applicant submitted in the admission.

5.3 CLEARANCE

>> PAGE 1 of the Clearance should be the grade levels.

9.4 REGISTRAR

The principal uses Registrar data to monitor learner movement, verify regulatory compliance, and audit academic records without having to perform manual encoding.

- **School-Wide & Grade-Level Enrollment Dashboards:**
 - Real-time headcount broken down by grade (Kinder, Primary G1–G3, Intermediate G4–G6, Junior High G7–G10) and section.
 - Demographic breakdowns (gender ratios, age-appropriateness per grade, new vs. returning students, transferees in/out).
 - Section capacity utilization (identifying overcrowded or under-enrolled sections).
- **DepEd Form & Compliance Monitors (K–10 Specific):**
 - Status and export previews of standardized school forms:
 - **SF1 (School Register):** Verification of Learner Reference Numbers (LRN) and biographical completeness.
 - **SF2 (Daily Attendance Summaries):** School-wide absenteeism and drop-out risk alerts.
 - **SF4 (Monthly Learner Movement):** Transferred-in, transferred-out, and dropped students per month.
- **Academic Standing & Grade Audits:**
 - Grade submission compliance tracker (which sections/subjects have pending or finalized grades).
 - School-wide quarterly grade distributions and failure rate analytics.
 - Roster of academic awardees (Honor Roll / With Honors, High Honors) generated according to institutional and regulatory criteria.
 - List of retained students, students needing remedial instruction, or students with conditional status.
- **Credentials & Document Pipeline:**
 - Backlog and volume of Form 137/SF10 (Permanent Record) and Form 138/SF9 (Report Card) requests.
 - Release logs for Certificate of Good Moral Character and Transfer Credentials.

9.5 CASHIER

Principals require high-level financial health metrics and clearance statuses to coordinate operational decisions, student clearance, and resource allocations without needing full accountant-level ledger edit rights.

- **Collection & Revenue Dashboards:**

- Total billed vs. total collected revenue across grade levels.
- Collection efficiency percentage by term/quarter (Kinder vs. Elementary vs. JHS).
- Breakdown of collections by fee type (Tuition, Miscellaneous, Books, Laboratory/Computer Fees, Graduation/Moving Up fees).

- **Accounts Receivable & Delinquency Tracking:**

- Aggregate outstanding balances per grade level and section.
- Aging of receivables (Current, 30–60 days, 90+ days overdue).
- Active installment and promissory note compliance lists.

9.6 TEACHER

The principal monitors teacher performance, instructional execution, grading compliance, and daily classroom management.

- **Faculty Workload & Timetable Matrix:**

- Master class schedule and teacher loading (teaching hours, subject assignments, advisory sections, preparation periods).
- Room utilization and lab assignment grids.

- **Grading & Assessment Oversight:**

- Teacher Gradebook review (monitoring compliance with DepEd assessment weights: Written Works, Performance Tasks, Quarterly Assessment).
- Grade change logs and adjustment requests requiring principal sign-off.
- Subject-level performance variance (identifying subjects with abnormally high failure or grade inflation rates).

- **Attendance & Classroom Management Logs:**

- Teacher attendance, punctuality, and leave trackers.
- Advisory-level student daily attendance and chronic absenteeism alerts.
- Behavioral, anecdotal, and disciplinary incident referrals submitted by teachers for guidance or administrative action.

- **Instructional Delivery & Learning Materials:**

- Submission tracker for Daily Lesson Plans (DLP) / Daily Lesson Logs (DLL) and syllabus milestones.
- Distribution logs of learning modules, textbooks, and online LMS assignments.

9.7 REPORTS

>> COMPILATION of all reports in Registrar, Cashier, and Teachers

[10.0] SUPER ADMIN

10.1 REPORTS

>> REMOVE this feature.

10.2 DASHBOARD

>> ADD dashboard and it features all about the security of accounts.

EXAMPLE:

IN STUDENTS:

- **Security & Multi-Device Access Logs:** Flags for simultaneous logins from repeated failed login attempts, or suspected account sharing.
- **Access & Inactivity Reports:** List of dormant student accounts, last login timestamps, and portal engagement rates across grade levels.
- **Account Provisioning & Identity Verification:** Total registered vs. unverified student/parent portal accounts, pending account activation requests, and password reset volumes.

IN ADMISSION, CASHIER, REGISTRAR, TEACHERS, & PRINCIPALS:

- **Account Status & Access Logs:** Active/inactive admission officer accounts, login timestamps, and concurrent session tracking.
- **Security & Multi-Device Access Logs:** Flags for simultaneous logins from repeated failed login attempts, or suspected account sharing.
- **Account Provisioning & Identity Verification:** Password reset tracking.
